OBJECTS OF THE INSTITUTION

This Hospital was founded and is maintained for the medical and surgical treatment at reduced rates of ladies of limited means : such as teachers, artists, hospital nurses, Officers of H.M. Forces and Women's Services, and the wives, daughters and near relatives of clergymen, naval, military and professional men.

REPORT FOR 1949

THE Executive Committee have pleasure in presenting their Report for 1949.

The Hospital had a successful year, having treated 492 patients during the twelve months, an increase of 58 patients over 1948. The ward which had remained closed owing to shortage of staff during 1948 was opened early in 1949, and the Hospital has remained fully open since, except for a temporary closing in August for necessary repairs and redecorations.

H.R.H. The Princess Royal, our Patroness, honoured the Hospital with a visit on February 15th, and walked through all the wards and rooms. She gave great pleasure by conversing with the patients and with members of the Committee and of the Staff.

In January the B.B.C. devoted the Week's Good Cause to the needs of the Florence Nightingale Hospital, and Dame Irene Vanbrugh made a beautiful and moving appeal which will be long remembered. Donations large and small came in from all over the country, producing a total of £1,993. The Hospital is greatly indebted to Dame Irene, and not less to the Governors of the B.B.C., for this broadcast. It was with very great sorrow that the news was received of Dame Irene's death on November 30th, 1949.

In March, the Mayor of St. Marylebone, Councillor A. E. Reneson Coucher, J.P., and Mrs. Coucher very kindly gave a party at the St. Marylebone Town Hall in aid of the Hospital. The guests had the pleasure of meeting some very distinguished members of the theatrical profession, namely Miss Vivien Leigh, Miss Hermione Gingold and Mr. Harold Warrender, who most

generously came to assist our cause. A very welcome sum of £159 was collected for the benefit of the Hospital.

The Hospital was unfortunate in the resignation of its Matron, Miss K. L. Thomas, on May 31st, and of its Secretary, Miss Violet A. Miles, who left to take up another appointment on March 31st. Miss Gladys E. Lingwood was appointed Matron on June 1st, and Miss Mary Kempton was appointed Secretary on April 12th. Both these ladies brought great experience and skill to their work, and the Committee consider themselves fortunate to have secured their services.

The following appointments and resignations during the year under review have taken place :—

The Hon. Mrs. Geoffrey Bridgeman, Chairman of the Appeal Committee resigned, and Mrs. A. C. E. Kimber was elected. The Hon. Joan Hope, The Hon. Miriam Fitzalan-Howard, Mrs. Howard Whitbread and Mrs. M. L. Brittan have been elected to the Appeal Committee ; Miss Milnes and Mrs. Wheeler have resigned.

The Appeal Committee had a busy year, and it is thanks to them that our income has more than kept pace with our increased expenditure. Some of their activities have already been described, but we may here record that H.M. Queen Mary graciously renewed her subscription of £10 10s., and in addition sent us a special Christmas gift of £10. H.R.H. The Princess Royal, Patroness of the Hospital, gave her subscription of £10 under Deed of Covenant. Following the lead of our Royal Patroness, it is pleasing to report that during the year 101 new Deeds of Covenant have been received.

In view of the demand for beds of the type provided by the " Florence Nightingale," the Committee have approved a scheme to double its accommodation, for which an appeal will be launched during the year asking for the sum of £125,000. While there must be considerable delay before building can commence, it is necessary to prepare for the future in advance, and it is hoped to provide additional medical and surgical beds, a Maternity Ward, and accommodation for permanent invalids. We believe that we meet a great need and possibly an increasing need and we therefore have in mind these plans for the future

A Produce Sale was held in June, which was well patronised and realised a sum of £156 for the Hospital. Alexandra Rose Day produced the very welcome sum of £250, and to this must be added £120 resulting from a Rose Day party kindly organised by Mrs. Bampton-Taylor. Many generous gifts are acknowledged elsewhere ; particular mention may be made of a gift of equipment and " pillotone " wireless receivers for every bed from Mrs. Kennedy, and of £200 donated by the American Women's Hospital Fund through the Medical Women's Federation.

In spite of the help of so many kind friends, it must be recorded that expenditure outstripped income by £3,292 during the year, and the bank overdraft has risen to £5,914. 1950 witnesses the one hundredth anniversary of the opening of the Hospital, and we beg all our supporters to make a special effort in this our centenary year to obtain at least one new subscriber and so assist in putting the Hospital financially upon its feet.

The Linen Guild has been very fortunate in again receiving a splendid consignment of linen from Queen Mary's London Needlework Guild, and a fine shawl made by Her Majesty.

The Joint Committee of the Order of St. John and the British Red Cross Society have also made a magnificent gift of linen and blankets and the Country Women's Association of Victoria, Australia, have sent a further donation of sheets and pillow cases.

The Guild has enlarged its membership during the past year but increasing commitments and the fact that out of every £1 spent, 8s. is Purchase Tax, makes it very important that all friends of the Hospital should give it support.

Yearly subscriptions of from 2s. 6d. upwards may be sent to :—The Guild Secretary, The Hon. Mrs. Garnett, Radmore, Dorrington, Nr. Shrewsbury, who will warmly welcome them.

The following extracts are taken from letters received from patients during the year, and they give some idea of the gratitude felt by them for the Lady Superintendent, her Staff and the Medical Officers.

A PRIVATE ROOM

From a Lady in Kent.

March 23rd, 1949

. . . There are so many of us, Nurses, Doctors and other professional people or daughters of same ; who so tremendously appreciate a pleasant, quiet and educated atmosphere when we are ill, which is impossible to find in a general hospital, while it is beyond our means to obtain a bed in any private hospital.

From a Doctor's Secretary.

April 30th, 1949

. . . One takes efficiency for granted in a modern hospital. I think too many people take it too easily for granted without realising the amount of complicated organisation, the skill and the ceaseless hard work on the part of everyone in the Hospital — the administrative, the nursing, and the domestic staff, but I certainly could not take for granted the tremendous warm-hearted kindness which surrounded me. This helped to carry me through my first 48 hours of acute illness and after that made me enjoy every moment of my stay at "The Florence Nightingale."

From a Lady in New Zealand.

June 19th, 1949

. . . I write on behalf of my sister to thank you and your Staff for all you have done for her. In the first place that she was able to go into your Hospital, and then that she was given such wonderful care just when it was most needed. She wrote so appreciatively of all the care and kindness she was receiving.

The Committee wish to record their grateful thanks and acknowledgments to :—

Miss Sternberg for her kind and efficient services as Librarian ; and other members of the British Red Cross Society and voluntary workers who help in the Hospital.

Miss Jane Frith and Mr. J. Barrington-Baker for designing the large notices on the outside of the Hospital.

Messrs. Goldrei Foucard and Son, Ltd., for their kindness in loaning the Hospital an electric mixer and potato peeler.

In special cases a still further extension may from time to time be granted, but always for periods not exceeding six weeks. Further, should a case be admitted for "an opinion," it must be understood that the patient cannot continue in the Hospital unless the Medical Officer considers it necessary, and so reports to the Committee.
